PROJECTS, GRANTS, HONORS, AND AWARDS

Projects and grants

Awarded

Principal Investigator, Longview Philanthropy Digital Minds Research Fellowships: “*Exploring the role of quantity and type of use in increasing perceptions of digital sentience in large language models*”

Team Member, EASP Seedcorn Grant 2026: “*Metacognition and the cross-race deficit: The role of study time and performance beliefs*”

Team Member, CICPSI Internal Research Funds 2026: “*FACEBOUND: Perceptual boundaries and categorical gating in human faces*”

Team Member, University of Kent – School of Psychology – Grant Development Seed Funding: “*Metascience & AI*”

Research Fellow, BIAL Foundation Research Grant 2020: “*The psychology of the living and the dead: Interpersonal psychology in the afterlife*”

Team Member, EASP Preregistered Research Grant 2019: “*Do individuation instructions reduce the cross-race effect? A registered replication of Hugenberg, Miller, and Claypool (2007)*”

Awardee, FCT Fellowship for Doctoral Students 2022/2023

Underway / Under consideration

Principal Investigator, Templeton Foundation Grants 2026: “*Motivated prompting: Is interaction with large language models biased by personal motivations?*”

Principal Investigator, FCT I.P. Exploratory Research Projects 2025: “*Lay beliefs about symptomatology and mental disorders: Characterization, comparison, and calibration*”

Honors and awards

Awardee, EASP 2026 General Meeting Travel Grant

Awardee, 2024 Anne Anastasi General Psychology Graduate Student Award (APA Div.1) – +2 years beyond bachelor

Awardee, XVIII PhD Meeting in Psychology – Best Poster Presentation (1st place)

Awardee, Fulbright Portugal Award 2023/2024

Awardee, Jornadas do Jovem Investigador na Faculdade de Psicologia 2023 – Best Conference Presentation (1st place)
